MODULE: MANAGEMENT COMPETENCIES

AREA: MANAGEMENT OF THE TECHNOLOGICAL ENVIRONMENT

SUBJECT: ELECTRONIC DISTRIBUTION AND REVENUE MANAGEMENT

CODE: MHMEDRM

LANGUAGE: ENGLISH

YEAR: 1

PERIOD: SEMESTER 2

CREDITS: 5 ECTS

1. Subject objectives

Internet has drastically changed hotel distribution, the way in which we connect, attract and convert customers. Electronic Distribution and Revenue Management is a practical subject whose main pillars are Electronic Distribution, Revenue Management and Online Reputation. These elements play a key role in hotelier's day-to-day business.

This subject main objectives are:

Understand the new trends in the market (i.e Brands, Consumer..)

Understand the motivation of the customer in making purchase decisions.

Understand the main players in Hotel Distribution

Understand the core components of Revenue Management and how these are applied within the Hospitality Sector.

Understand the principles of Market Segmentation for a hotel.

Understand new players in the Hospitality Industry.

Understand the importance of Online Reputation Management.

HRS will be our associate partner for this particular subject

2. Competencies developed

Basic

B06 - knowledge and understanding that provide a basis or opportunity for originality in developing and / or applying ideas, often in a research context

B07 - students can apply their knowledge and their ability to solve problems in new or unfamiliar environments within broader (or multidisciplinary) contexts related to their field of study

B08 - students are able to integrate knowledge and handle complexity and formulate judgments based on information that is incomplete or limited, include reflecting on social and ethical responsibilities linked

to the application of their knowledge and judgments

B09 - students can communicate their conclusions and the underlying supporting knowledge and rationale to specialists and non-specialists in a clear and unambiguous way.

B10 - students must possess the learning skills that enable them to continue studying in a way that will be largely self-directed or autonomous

General

G01 - be able to search and manage information from sources in order to make decisions that contribute to achieving the objectives of the organization

G01 - be able to search and manage information from sources in order to make decisions that contribute to achieving the objectives of the organization

Specific

E05 - define and develop the goals, tactics and marketing strategies needed to establish appropriate policies in line with the objectives and strategies of the hotel company

E06 - identify the needs and expectations of consumers to plan for the provision of various products and services that allow hoteliers to encourage excellence in customer relations through a process of continuous innovation

E10 - Identifying and using information technology and communications (ICT) in the various fields of hotel management companies, both internally and externally

Regular examination call

- **The Assignment will be explained on the third week of classes. Includes a final oral presentation. Delivery date is subject to changes. (Apr, 02/2018)**

Supervised project (Group - 50%)

Evaluated competences: B6, B7, B8, B9, B10, E6, G1, E10

- **Delivered at the end of every session.**

Academic Work (Individual - 10%)

Evaluated competences: B6, B7, B9

- **Plenary Lectures & Onsite Visits. Delivery Date TBC**

Academic Work (Individual - 20%)

Evaluated competences: B6, B7, B8, B9, E5,

- **In-class exercises. Delivery Date TBC**

Case analysis (Individual - 20%)

Evaluated competences: B10, E10

- * The grades will be averaged only if ALL the assignments are marked 5.0 or higher.
- * Cheating and plagiarism are regarded as attempts to gain an unfair advantage over your fellow classmates and will be penalized according to HTSI rules and regulations.
- * Late submission: Permission to submit an assignment late may be granted by the Lecturer. Permission is dependent upon valid reasons and may be refused. Valid reasons are, for example, an extended illness or unforeseen personal difficulties. If a late submission is approved, you will be given written confirmation of the alternative submission date. The maximum extension to any submission deadline is normally 2 weeks.

Unless the reason for lateness makes this impossible, permission for late submission must be sought at least 4 days in advance of the submission deadline. Where late submission is requested on medical grounds, a medical certificate must be provided.

Resit examination call

- **Final exam (Individual - 100%)**

Evaluated competences: B6, B7, B8, B9, B10, E5, E6, E10

- * The grade awarded depends upon the extent to which the student has met the exam objectives overall. A minimum passing score of 5.0 or higher is required.
- * Cheating is regarded as an attempt to gain an unfair advantage over your fellow classmates and will be penalized according to HTSI rules and regulations.

Repeating students without attendance: regular examination call

- **Final exam (Individual - 100%)**

Evaluated competences: B6, B7, B8, B9, B10, E5, E6, E10

- * The grade awarded depends upon the extent to which the student has met the exam objectives overall. A minimum passing score of 5.0 or higher is required.
- * Cheating is regarded as an attempt to gain an unfair advantage over your fellow classmates and will be penalized according to HTSI rules and regulations.

Repeating students without attendance: resit examination call

- **Final exam (Individual - 100%)**

Evaluated competences: B6, B7, B8, B9, B10, E5, E6, E10

- * The grade awarded depends upon the extent to which the student has met the exam objectives overall.

A minimum passing score of 5.0 or higher is required.

* Cheating is regarded as an attempt to gain an unfair advantage over your fellow classmates and will be penalized according to HTSI rules and regulations.
