MODULE: INTERNSHIP AND MASTER THESIS

AREA: MASTER THESIS

SUBJECT: MASTER THESIS

CODE: MHMTFM

LANGUAGE: ENGLISH

YEAR: 2

PERIOD: SEMESTER 3

CREDITS: 10 ECTS

1. Subject objectives

Students on the Masters' program in Hotel Management will be expected to successfully integrate the concepts introduced during the previous subjects in a single Project, called an Applied Master Thesis. This subject entails to critically review strategically the company or department of the placement, detecting areas of improvement, searching for aligned literature and delivering relevant and innovative proposals.

2. Competencies developed

Basic

B06 - knowledge and understanding that provide a basis or opportunity for originality in developing and / or applying ideas, often in a research context

B07 - students can apply their knowledge and their ability to solve problems in new or unfamiliar environments within broader (or multidisciplinary) contexts related to their field of study

B08 - students are able to integrate knowledge and handle complexity and formulate judgments based on information that is incomplete or limited, include reflecting on social and ethical responsibilities linked to the application of their knowledge and judgments

B09 - students can communicate their conclusions and the underlying supporting knowledge and rationale to specialists and non-specialists in a clear and unambiguous way.

B10 - students must possess the learning skills that enable them to continue studying in a way that will be largely self-directed or autonomous

General

G01 - be able to search and manage information from sources in order to make decisions that contribute to achieving the objectives of the organization

Transversales

T03 - use English as the language of the hotel industry in developing a career in an international environment

T04 - design and structure a study or research in the field of Hospitality Management to address a problem or need

Specific

E01 - Leading the attainment of the objectives of hotel companies through management, considering environmental criteria, socio-cultural, ethical and economic principles to ensure sustainable and responsible tourism accommodation.

E06 - identify the needs and expectations of consumers to plan for the provision of various products and services that allow hoteliers to encourage excellence in customer relations through a process of continuous innovation

E11 - Propose new products, services, processes or experiences from analyzing the results from a study or research in the field of Hospitality Management to take advantage of market opportunities and gain competitive advantage in business or hospitality organizations.

Session 2: Follow-up session with tutor. Related material: compulsory readings

Session 3: Autonomous work. Related material: compulsory readings

Session 4: Follow-up session with tutor. Related material: compulsory readings

Session 5: Follow-up session with tutor. Related material: compulsory readings

Session 6: Follow-up session with tutor. Related material: compulsory readings

4. Teaching methodology

Supervised Projects. The students develop an Empirical Master thesis based on their placement, where they analyze several components related to the company, identify areas for improvement and propose informed and viable alternatives.

Student Presentations (individual or group). The public presentation has a duration of 20 minutes, unless otherwise specified, followed by questions formulated by the jury (defense). Presentation and defence will be conducted publicly unless the project is designated as confidential. If so, the student must notify the academic supervisor.

Virtual Tutorials. An academic supervisor will be appointed at the beginning of the 2n subject, to be in charge of the guidance of the student, throughout the completion of the research project. The student may contact him/her for content related academic guidance. The student is entitled of three student-

supervisor individual meetings.

5. Assessment activities

Regular examination call

• **Written Report (1) (Dec, 09/2020)**

Supervised project (Individual - 80%)

Evaluated competences: CB6, CB7, CB8, CT3, CT4,CE1,CB9,CB10,CG1,CE6,CE11

• **Oral Defense (1) (Dec, 14/2020)**

Supervised project (Individual - 20%)

Evaluated competences: CB9, CT3
